THE CINCINNATI BIBLE SEMINARY
CINCINNATI, OHIO

FOREWORD

We, the Class of '49, are eager to present this Nautilus. This is our "Ebenezer," for " . . . hitherto hath Jehovah helped us." The admirable growth of the Cincinnati Bible Seminary, which covers a period of twenty-five years, brings us face to face with Divine Providence. God has given us His precious and eternal Word; He has opened the door of opportunity for us to attend a school in which we can fellowship with other Christians and study under competent and devout teachers. As we view the open Bible, the citadel of our faith, and realize the glorious victories achieved by the prayers of uplifted hands, we, the class of '49, lift our voices in adoration to Him who " . . . interposed with precious blood."

As we present this record of present events, which in the future shall become memories of the past, we wish to remind all of God's providential care. Therefore, we raise our "Ebenezer"—hither by His help we have come—and we hope by His " . . . good pleasure safely to arrive at home."

"Here I raise my Ebenezer; Hither by Thy help I'm come;
And I hope, by Thy good pleasure, Safely to arrive at home."

DEDICATION

EDWIN G. CROUCH
Attorney-at-Law

We, the Class of 1949, dedicate this Nautilus to Mr. John W. Hudson and Mr. Edwin G. Crouch in recognition of their great contribution to the cause of Christ and to the Cincinnati Bible Seminary. Mr. Hudson, a trustee, is chairman of the Executive Committee of the Cincinnati Bible Seminary. Mr. Crouch is chairman of the Board of Trustees and a member of the Executive Committee. They collaborate in offering advice on all financial and legal matters which pertain to the management of The Cincinnati Bible Seminary. Every week each of these men must devote a part of his time to the interest of the school. The Cincinnati Bible Seminary receives this priceless aid without cost to the school. We desire, by this dedication, to recognize the invaluable service they have cheerfully given.

JOHN W. HUDSON
Attorney-at-Law

OUR PRESIDENT

The President of The Cincinnati Bible Seminary has upon his shoulders the task of directing hundreds of young men and women into the proper channels of service for the Master. In his hands is the responsibility of charting the course for The Cincinnati Bible Seminary that will produce another twenty-five years of victory for Christ. It is his task to steer clear of the rocks and shoals that lie in wait to wreck this great school.

President Perry's willingness to place himself, the school which he leads, and all other man-made institutions and organizations, in subordination to Christ his Saviour, has won for him the respect of all those associated with him. His thorough training and experience fit him for the task which lies before him. He stands honest with God, himself, and his fellowmen, asking simply that he and the school be blessed in accordance with their obedience to the Lord's will.

Character and Purpose of The Cincinnati Bible Seminary

"The Cincinnati Bible Seminary, in its endeavor to equip and train young men and women for Christian service, shall make the Bible its chief textbook, arrange all its courses of study, and conduct its work in harmony with the spirit and letter of the Word of God. To this end every trustee and teacher must be a member of the Church of Christ (undenominational) and MUST BELIEVE WITHOUT RESERVATION, in the full and final inspiration of the Bible to the extent that it is to him the infallible Word of God, and, therefore, the all-sufficient rule of faith and life; in the deity and supreme authority of Christ; obedience to the gospel; the edification of the Church; and the restoration of its unity on the New Testament basis.

"Believing that such faith and a church with a program in harmony with this faith are essential to the salvation of the world, The Cincinnati Bible Seminary shall endeavor to so train and inspire its students as to make them effective servants of Christ."

The world thirsts after knowledge, but learning without righteousness is unprofitable. The purpose of every college should be to help a student make a life rather than a living. At the Cincinnati Bible Seminary consecrated, capable teachers of God's Word furnish us with the essentials for a life of Christian service. We are grounded in the truth that "the fear of the Lord is the beginning of wisdom; and the knowledge of the holy is understanding." Thus, the many lives that are trained for Christian service are made to realize and bear witness to the immeasurable value of the teaching concerning the Way, the Truth, and the Life.

We come to The Cincinnati Bible Seminary to be equipped for Christian service. In the classes this purpose blossoms into a reality as we are firmly rooted and grounded in the inspired Word of God. As our hearts are filled to overflowing with the riches of God's Word, there is aroused in us a sincere zeal to go and impart to others the words of life. All the secular courses are but secondary to the study of the Bible. Like Samuel of old, we are taught to say, " . . . speak, Lord; for thy servant heareth."

The President's Message to the Class of 1949

"But watch thou in all things, endure afflictions, do the work of an evangelist, make full proof of thy ministry." II Tim. 4:5.

When Paul wrote these words to the young preacher, he was approaching the end of a long and fruitful ministry. That ministry was to end unhappily according to the standards of the world. His work was to end happily according to the standards of heaven. His instructions to Timothy are profitable to any minister. These instructions should be of particular interest to you as you come to the end of this period of your formal training.

You are to be congratulated on the evidences of your consecration, perseverance, and ability. It takes all three of these characteristics to successfully finish the course of study you have completed in The Cincinnati Bible Seminary.

You needed consecration when you became increasingly aware of the life of sacrifice before you. There are forces which seek to prevent your performance of the service you would render to the Master. You know of the secular work which promises much more of material reward than will be given you as workers for Christ. You understand the perplexing problems which face the Church of Jesus Christ. Denominationalism confuses the world. Efforts are being made to denominationalize the free churches of Christ you will serve. Modernism rears its head in ugly denial of the deity of Christ. The strength of many churches of Christ has been sapped by the infiltration of unbelievers.

YOUR LIFE MUST CONTINUE TO BE CONSECRATED TO CHRIST TO ENABLE YOU TO BE WILLING TO FACE THESE PROBLEMS FOR CHRIST.

You have demonstrated perseverance in obtaining the degree you have earned. Four years is a long time when viewed in prospect. Many of you have financed your education. This involved fatiguing hours of work and self-denial in material things. Some of you have found it necessary to extend your work for a degree beyond the usual four years. You have shown the ability to look ahead. You have stayed with the job until it is done. This is perseverance.

You will need this characteristic in your service for Christ. Do not think that your appearance in any community will have a magical quality. The problems of the community and the church you serve will not be quickly solved. Other problems will arise. Only faithful, loyal service will produce the results you desire. You will need the long view. You will need to visualize the end you desire to accomplish if you are to overcome the obstacles you will face.

As you proclaim the truth, you may at times feel helpless. Practice perseverance. Remember you are not helpless, for THE GOSPEL IS THE POWER OF GOD UNTO SALVATION!

You have clearly demonstrated ability in your four years of study in The Cincinnati Bible Seminary. That study has been exacting. Much has been demanded of you. Perhaps you were surprised to find that you are as capable as you have demonstrated. You have developed this native ability during your years on Price Hill.

The work that you are to do demands the very best in you. ONLY AS YOU DEVELOP AND USE YOUR NATURAL TALENTS CAN YOU HOPE FOR BLESSINGS IN CHRIST. You must plan to give of your best to the Master.

I pray that your loyalty has been firmly centered in Christ as a result of your experience in The Cincinnati Bible Seminary. May you persevere for the crown He offers. May your abilities be developed for Him.

I should not be true to my responsibilities if I did not warn you against false loyalties. Beware of the agency that seeks to purchase your loyalty through promise of material rewards or veiled threats of reprisals. Beware of the institution that demands loyalty to it above loyalty to Jesus Christ. Remember that you can support any institution which is loyal to Christ and His entire Word. Stand firm against any agency that seeks to betray the cause of Christ. Do all of this in love of God and man.

We believe that you will be loyal to your Alma Mater. This loyalty will be based on her loyalty to Jesus Christ and His entire Word. She will not demand your exclusive attention. She does ask your concern and interest. You will desire to send students to study here because of the benefit you have received. Material support will be supplied by graduates of this school. Your prayers will ascend to the Father that your Alma Mater may continue to render the faithful loyal service that has characterized her through the years.

Rejoice in the triumphs of the gospel. Prove your ministry. Keep the faith. Finish the course. Attain the crown that awaits you.

May God bless and keep you through His Son Jesus Christ.

OUR SPONSOR

During the past four years the Class of 1949 has truly enjoyed being led by this humble, sincere, competent, and faithful man of God. We will not soon forget his zeal and knowledge in rightly dividing God's Word, his exemplary life in striving to follow Christ, and his sympathetic understanding of our many personal problems. It is our earnest prayer that George Mark Elliott will be blessed with a long and useful life and that he will continue to be the same inspiration to future students as he has been to us.

Graduate Study in the Seminary

Counting the great commission of our Lord the basic standard for our efforts in The Cincinnati Bible Seminary to train young men and women for faithful, effective evangelism, the Seminary has always pursued the "open door policy" of welcoming all who desire to enroll regardless of age or educational background. This position however, has not lessened our emphasis upon the desirability of the most thorough scholastic training possible for every student. Through the years there have been some who have come from State Universities or similar institutions to pursue graduate study in the Seminary. More have come from other loyal preacher training institutions, but most of our graduate students have been those who have secured their undergraduate work at the Seminary.

During this present session there are twenty-seven graduate students enrolled in the school. This does not include graduates of the school now out on the field who have completed or will complete this year their necessary hours of work, but are still uncertain as to whether they will be able to complete the required thesis.

Some indication of the range of investigation included in the work of graduate students enrolled in the Seminary this year may be seen in the following topics of theses being written: "The Necessity of the Atonement"; "Justification By Faith"; "The Credulity of Modernistic Theologians"; "The Moslem-Hindu Clash in India"; "Campbell Debates in the Millenial Harbinger"; "Persistence of Root Meanings in Greek Derivatives"; "Influence of Puritan Thought upon the Writings of Nathaniel Hawthorne"; "Religious Beliefs and Practices of James A. Garfield"; "Post-apostolic Church Fathers"; "Qualifications and Office of Elders and Deacons"; "The Theology of the Mourner's Bench"; "The Apostle Peter: Character Analysis and Biographical Study"; "The Work of the Holy Spirit."

The requirements for the M. A. and B.D. degrees are on a par with that of other institutions of higher learning in America. Graduate study for one or two years (depending on the educational background) must be completed for an M. A.; three years for a B. D. For the M. A. degree two years of Greek and one of Hebrew (or vice-versa) are required; for the B. D. degree two years of Greek and two years of Hebrew are required.

As The Cincinnati Bible Seminary recognizes the value of extra-curricular activities, a relatively prominent place is given to student activities in our school life.

The many activities of the Seminary, which are Christ-centered, lend assistance to the students by teaching them, training their minds, furnishing them with information, and affording them the opportunity of developing and demonstrating their abilities.

Therefore, the student, with an initiative stimulated by the many activities of the school, goes out better equipped to publish abroad the glad tidings of salvation.

Under the competent leadership of Don Whitman, the music department of The Cincinnati Bible Seminary offers almost unlimited opportunities to students who want to develop their musical talents. The Men's and Women's Choruses, together with the smaller groups such as the Men's Quartet and the Girl's Sextet, provide general training and practice in group singing, while the orchestra furnishes an outlet for instrumental talent. The department also offers individual instruction in organ, piano, and voice under the direction of Richard Lindamood and Charles Troyer, assistants to Mr. Whitman.

The choral units have always contributed musical numbers for the special occasions during the year. Besides playing a very important part on the program of the Conference on Evangelism, these groups give annual concerts, all of which display the high quality of the musical talent in The Cincinnati Bible Seminary.

We take justifiable pride in the work the music department of the Seminary is accomplishing.

The Preachers of Today are those who are both serving churches and attending school. Each weekend they become sounding boards of the gospel which they are taught at The Cincinnati Bible Seminary.

They fully realize that
There is a fountain filled with blood
Drawn from Immanuel's veins,
And sinners plunged beneath that flood,
Lose all their guilty stains.

Therefore, week after week we are thrilled by the results of their preaching. The souls won, the wayward restored, the discouraged succored, and the enemies overcome all testify to the power of the gospel which they herald.

The Preachers of Tomorrow are the recruits that have accepted the challenge of the cross and are preparing themselves to march under the orders of The Great Commander. This is not an inactive group. But filled with faith and enthusiasm, they go forth each weekend to supply pulpits, take part on Seminary programs, and serve in the churches. The battle-scarred soldiers are encouraged as they look into the zealous faces of these young men and realize that the ranks of the Lord are being replenished. We offer to these recruits Paul's admonition, ". . . be strong in the Lord and in the power of his might. Put on the whole armour of God . . . !"

THE ALMA MATER

The purpose of the "Alma Mater" is three-fold: It serves as a means whereby the student body may be informed of the social activities at C.B.S. The publication then affords the students an opportunity to develop their journalistic talents, for the paper is student managed and published. The ultimate purpose, of course, is to prepare the staff, the contributors, and the readers for a more effective service in the kingdom of the Lord.

STUDENT COUNCIL

The Student Council is a new organization on our campus for the purpose of giving the students a voice in the government of the school. The Council is composed of a representative from each class and each dormitory. This group meets once a week to consider any suggestions for the improvement of the school. The Council not only makes plans whereby these suggestions might be carried out, but they make provisions for extra-curricular activities.

LIBRARY

Books are the tools of the students—a vital necessity in his education—and for this reason the library is an important part of The Seminary.

Here students can come and through these volumes learn of the finest sayings and best writings of the greatest of men.

The Cincinnati Bible Seminary, realizing the need for an adequate library, is working to acquire books on all subjects. At the present we have more than 8000 volumes. Appropriately, the majority of these are in the field of theology, but there is also a representative number of works of philosophy, history, language, science, and literature.

A definite plan of development has been put into effect. In coming years the library will increase as The Seminary grows in order that students of the future may find readily accessible the materials they desire.

Helen Larson—Library helper.

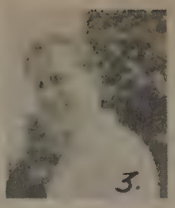

Students are taking advantage of the fine books in the library. Evidently Professor Elliott has made a call for well documented term papers.

Great Britian has long boasted that her numerous possessions and dominions literally encircle the globe, giving rise to the saying, "The sun never sets on the British flag." The same statement might be made in regard to the many stalwart, consecrated young men and women of The Cincinnati Bible Seminary, who have gone forth in greater numbers very year until they too encircle the globe for Christ and His Kingdom. From Alaska to Africa, from Italy to Japan, Seminary graduates are diligently laboring in spiritual harvest fields for the Master. May the sun never set on the work that is being accomplished by C.B.S. men and women the world over!

"and the field is the world . . .

Matt. 13:38.

"WHERE LOYAL CHRISTIANS GATHER"

WANTED!

Soldiers of the Christ of the Cross who dare preach, through word and life, the WHOLE counsel of God. We join with Professor Foster in "praying for men of passionate devotion who will 'go,' men of dauntless courage who will 'preach,' and men of strong character who will give the people of God the inspiring example of a godly life." We are proud of you who are going forth, as others have gone before, to contend earnestly for the faith. We do pray that you will be good ministers of Christ Jesus and that you will also do all on your power to influence others to fill up the ranks of the ministry. So stir up the gift that is within you and place it unreservedly at the service of Christ and welcome your fellowmen.

We are set for the defense and confirmation and furtherance of The Gospel, and for the institution and edification of churches of Christ–all in accordance with the Holy Scripture, which is given by inspiration of God.

The Association employs full time and part time evangelists, who "hold fast the faithful word."

We publish the Restoration Herald, a free journal of The Faith, wielding a trowel to build up Christians on their most holy faith, and a sword to combat evil and error in all quarters.

Our support is the prayers and offerings of brethren of the common faith.

We salute The Cincinnati Bible Seminary, and thank God for its faithful and true witness.
